1

HOSPITALITY · 800-CAPACITY VENUE

Five-Layer Operating System

Anfiteatro de Villa

CHALLENGE

Venue running at 25% capacity (200 of 800/day). Informal management, no metrics, no audits, no documented processes.

SOLUTION

Continuous improvement architecture: policies → metrics → audits → dashboards → weekly business reviews.

SYSTEMS SHIPPED

- ▶ Internal Google Sites policy portal
- ▶ 15+ digital audit forms
- ▶ 6 leader-owned dashboards
- ▶ 4-week onboarding + 6-week fit eval
- ▶ WBR cadence with 6 domain owners

2

FINANCIAL SERVICES · 1,000+ EMPLOYEES

Performance Evaluation Platform

COOPENAE Credit Cooperative

CHALLENGE

Performance reviews disconnected from business KPIs and from talent decisions. No succession or development pipeline.

SOLUTION

70/30 hybrid model: Oracle HRIS KPIs + 9-box human evaluation across values and potential, with automated tier-based action triggers.

SYSTEMS SHIPPED

- ▶ Interactive executive mockup (sold pre-build)
- ▶ 9-box talent grid framework
- ▶ Auto-triggers: Succession, Skill-Build, PIP
- ▶ 3-phase implementation roadmap
- ▶ Engineering handoff documentation

TRADE ASSOCIATION · NATIONAL REACH

Sales Transformation Funnel

ASOINGRAF — Graphic Industry

CHALLENGE

Traditional industry under pressure from digital, AI, and Chinese imports. Members needed a new sales playbook for the new era.

SOLUTION

Free masterclass → paid workshop funnel ("Selling in Times of Change") with full multi-platform campaign and 18-day execution calendar.

SYSTEMS SHIPPED

- ▶ Multi-platform copy: IG, FB, LinkedIn, TikTok
- ▶ Canva flyers + Gamma decks (16 + 24 slides)
- ▶ TikTok scripts for facilitator
- ▶ End-to-end execution calendar
- ▶ Pricing: \$80 members / \$100 non-members

Every system here was designed, shipped, and operated by one person with AI as the force multiplier. The same approach scales to organizations of 50 or 5,000.

— Available for fractional COO, transformation, and senior consulting engagements.
